

House Guests, Visitors, Children and Dogs.

House Guests.

If you have house guests and they would like to accompany you to a group event, please contact the Group Coordinator or Event Organiser to ask if this is possible. Group members take priority but if, after the registration date has passed, there are still places available then you will be contacted and your guests will be welcome.

Visitors.

If you have friends living locally who would like to attend a meeting as a 'taster' to see whether they would like to join the U3A, please contact the Group Coordinator or Event Organiser to ask if this is possible.

Group members take priority but if, after the registration date has passed, there are still places available then you will be contacted and your friends will be welcome.

Once they have enjoyed one meeting and they wish to attend more, they must join the U3A.

Children.

It is current U3A policy that children do not attend U3A events or the lunches following events.

Dogs.

The only U3A activities where dogs are welcome are the walks organised by the 'Walking With Dogs' group.
